Circular No. /2018-19

Dated: 1st Oct., 2018

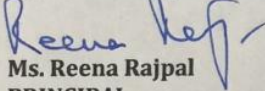

IMPORTANT CIRCULAR

Dear Parents,

This is in continuation of our earlier Circular No.20/2018-19 dated 17.09.2018, vide which we have already informed you that in place of ECS system, only the NACH system will be followed for collection of school fee. The implementation of said system is lengthy. Therefore, our school management has decided to collect the fees **for the month of Oct., 2018 in cash/DD only** at our fee counter.

We further inform you that fee will be collected without fine w.e.f. 01.10.2018 to 13.10.2018 **after 13th onwards fine will be charged**. Those parents who were availing the ECS facility are once again requested to **fill and submit their NACH form latest by 10th October 2018** because ECS system has been revoked by RBI. New parents are also advised to adopt the NACH system as this facility is free of cost. The parents, who are maintaining their account with SBI, please submit Standing Instruction Form immediately, which is available at our website: www.dldavsb.org.

Let us work together to help our children become productive citizens of the world!
