I have carefully read the instructions given along with this form and I would like to opt for the following stream/subjects(s) for my ward in class XI in your school. I clearly understand that this is an option form only and the final stream will be allotted by the school. I am also aware that the seats are limited in each stream and it will not be possible for the school to give me my first choice of subject only, that is why I have filled in two choices in order of preference.
