Dear Parent,

Your child is going to enter a new phase of life soon and it's important as parents to be informed about their role in facilitating the transition process. It is natural to be apprehensive as the child will enter a crucial and turbulent phase of adolescence and simultaneously moving to a new wing.

School believes in building a relationship with the child and with the family. We want to assure you that we are here to take care. However, it is the combined effort of the parents and the school, which can enhance the growth and development of the children.

To help you deal with the above changes, we are organizing an Orientation Session for Parents of class VI on, Saturday, 6<sup>th</sup> April, 2019, in the Multipurpose Room as per the following slots.

CLASSES	ORIENTATION SLOT
