Circular No. : 16 / 2017-18

Dated: 12.09.2017

Dear Parents

This is to inform you that the safety and security of the children is of paramount importance for us. We already have strict security measures in place to ensure the well being of all children in the school campus, the details of which will be made available on the school website very shortly.

We are however taking additional measures to strengthen the existing security systems and seek your cooperation for the same. Please note down the following points carefully which will be implemented with immediate effect.

- School gates will not open for the children before 7:15a.m. Please make arrangements accordingly.
- Children of classes I and II who go on their own or by vans have to be picked up from gate No. 2(near the bank). Van drivers will not be allowed to enter the school gates from September 21 onwards.
- Since you are handing over the children to the Van drivers, it is critical to get the credentials of the van drivers verified by the police. We advise you strongly to get the verification done and to keep a copy of it with you.
- Please remember to always carry your I-cards when you visit the school. This is for the safety of the children.
- Please note that only parents are authorized to pick up the child from the school in case he leaves during the school hours.
- In case of any emergency if you ask a relative to pick up your child before the school ends, please ensure that the person carries an authority letter and photocopy of Aadhar card of the parent attested by him along with a self attested photocopy of his own Aadhar Card.

Our Vigilance and Your co-operation- together -will ensure the safety of the children in the school campus.
