HOLIDAYS HOMEWORK (2023-24)

CLASS III

Dear Children,

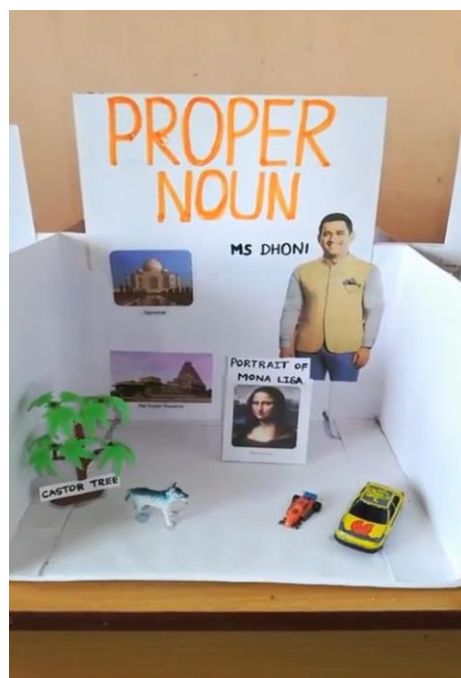

Summer holidays are about to begin and now is the time to relax and enjoy.

Wishing all of you an enjoyable summer break!!

Kindly follow the instructions given for each subject and do the holidays homework along with revising the work done in the class.

ENGLISH

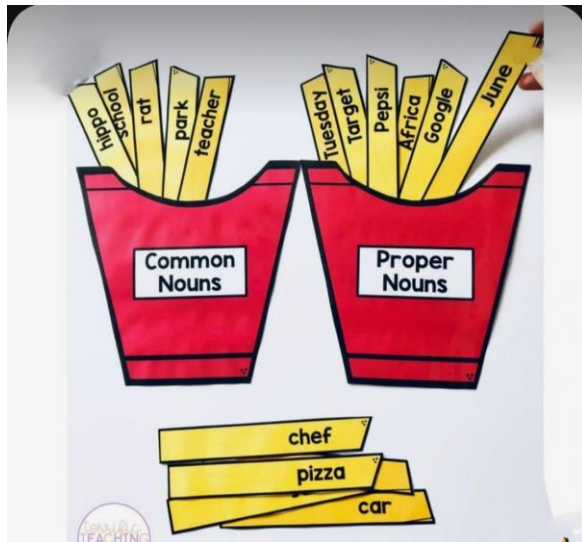

1. Make a **collage** of Endangered and Extinct animals on an A4 size sheet on the basis of Chapter "Minu and Dino". Paste their pictures with names and write 5 sentences telling how we can save our endangered species.
2. **Model on Nouns - Roll number 1 to 15** - will make a working model on nouns i.e common noun and proper noun. They will take a box and divide it into two. On one side they will paste some pictures or can keep toys or things related to common nouns and on the other side they will arrange something regarding proper nouns and for this too some pictures can be pasted. Two reference pictures are given.

Roll number 16 to last roll number - will make common and proper nouns according to the picture given below on an A4 Size sheet.

A link to a youtube video is given below to understand how to make it.

INTERDISCIPLINARY PROJECT

Topic - Nutrition

Q.2 Make an interdisciplinary project on Nutrition. This project will make you understand one topic with the help of all the subjects. It should have following sub- topics:

- Categorise healthy food and unhealthy food on the basis of their shapes in tabular form.(paste or draw the pictures)
- Categorise the food items on the basis of their measuring units in a tabular form.(kg/gms or litre/ml)

INSTRUCTIONS

- Do all the holidays homework on A-4 size sheets and put all the sheets in a folder.
- Holidays Homework should be neat and colourful.
- Use coloured pens for doing the Homework.
- Make your projects presentable by pasting or drawing colourful pictures relevant to the topic.
- Revise the syllabus of Periodic test-1 thoroughly.

SCIENCE

INSTRUCTIONS

- The Holidays Homework needs to be done on A4 size sheets and kept in a folder.
- Use your imagination, creativity and knowledge to do the assigned task.

ACTIVITY 1

The Sensory Circus: A Playful Extravaganza of the Five Senses

Create a plate depicting the different sense organs and their remarkable features. You can use pictures or drawings to represent each sense organ and showcase their unique characteristics.

Use the following for reference
