Dear Parents,

We have been able to carry out all our Scholastic and Co-scholastic activities online with great sincerity and dexterity these last few months, but we have missed interacting with our children. It is now time to take a step towards resuming the physical school in light of the DDMA circular dated February 4, 2022 that allows schools to open physically for students in a phased manner as per the SOP defined by the circular.

We seek your support and approval for the same and believe that you will understand that the above step is being taken for the benefit of your ward .
